

4. Xerox AltaLink Series

Specifications

- Speed: 30 – 70 pages per minute
- Functions: Print / Scan / Copy / Fax
- Features:
 - Cloud integration
 - App-based workflows
- Display: Tablet-like touchscreen

Description

This is a smart office machine. It doesn't just print; it automates work. You can scan documents and send them directly to email, Google Drive, or systems without touching a computer.

Advantages

- Smart workflows (less manual work)
- Great for document-heavy organizations
- Strong integration with digital systems
- Reduces paperwork processes
