BACKGROUND OF ACCESS FOR HUMANITY

Access for Humanity (AFH) is a national non-profit making, humanitarian, and developmental organization, fully registered under the laws of the Republic of South Sudan.

The mission of AFH is to see well-informed communities that are free from health-related issues, free from food insecurity, where there is social justice and gender equity, where women are empowered and women's and children's rights are protected, where everyone live in peace and coherence with one another in a sustainable environment, and where humanitarian crises are prevented and/or challenged.

AFH is serving the most disadvantaged communities of the Republic of South Sudan; that are living in the remotest areas of the country. Since early 2018, Access for Humanity is implementing and coordinating Routine Immunization (RI) and Polio Surveillance strengthening activities in over 30 counties in the Greater Upper Nile region of the Republic of South Sudan.
