

TENDER FOR SUPPLY AND DISTRIBUTION OF CEREALS AND VEG SEEDS IN YEI AND KAJO KEJI, REF No; IRSS-CE-01/12-23

BACKGROUND/INTRODUCTION

Islamic Relief South Sudan received funding from IRUSA to implement a 3 years' development project in Yei and Kajokeji county focusing mainly on three thematic areas of FSL, WASH & Protection. The project's goal is to secure smallholder farmer's livelihoods and resilience in the context of sustainable development. The proposed project will address food insecurity through economic strengthening interventions and other livelihood strategies that help vulnerable communities, mainly smallholder farmers in Yei and Kajo keji counties, who have been affected by the recurrent conflict and severe food shortage.

The Project intends to address the Food Security & Livelihoods and WASH needs of the conflict affected food insecure vulnerable smallholder farmers in Yei and Kajo keji Counties of South Sudan and estimated 10,000 persons will be reached by the proposed interventions which will aim at

- Increased resilient livelihood opportunities through enhancing agricultural productivity, availability and consumption of diversified food to conflict affected food insecure vulnerable small holder farmers;
- Improved contribution to and influence of conflict affected smallholder women farmers over income and decision-making
- Improved access to safe water and sustainable use of water facilities for the targeted conflict affected communities.

Therefore with this ToR, the project intends to procure assorted farm tools (460 Yei and 460 Kajokeji) as highlighted in the below section.

Our vision:

Inspired by our Islamic faith and guided by our values, we envisage a caring world where communities are empowered, social obligations are fulfilled and people respond as one to the suffering of others.

Our mission:

Exemplifying our Islamic values, we will mobilize resources, build partnerships, and develop local capacity, as we work to:

- Enable communities to mitigate the effect of disasters, prepare for their occurrence and respond by providing relief, protection and recovery.
- Promote integrated development and environmental custodianship with a focus on sustainable livelihoods.
- Support the marginalized and vulnerable to voice their needs and address root causes of poverty.

We allocate these resources regardless of race, political affiliation, gender or belief, and without expecting anything in return.

INTRODUCTION

The Overall purpose of the Procurement is.

- a) To get potential food suppliers to supply high quality food items to IRW-SS project sites; and
- b) To ensure right type, quality and quantity of food items are procured and delivered to IRW-SS project sites.

The focus would be considering the type, quality, and quantity of food supplies; company credibility and potential to supply of the required items.
