

Call for External Audit Service

German Leprosy and Tuberculosis Relief and Association (GLRA) has had a presence in South Sudan as a non-profit NGO since 1986 and its office is located in Juba. It has been a primary partner to the National Ministry of Health.

GLRA's vision is to see South Sudan in which no one suffers from Leprosy and other Neglected Tropical Diseases (NTDs), TB or other diseases of poverty and their consequences such as disability and exclusion.

Our mission in South Sudan is to continue to excel in the fight against Leprosy, TB and expand our expertise to other NTDs and disabilities to ensure that marginalized persons obtain access to adequate health care, inclusion and humanitarian aid.

GLRA South Sudan is currently looking for a registered and experienced audit firm for the year of 2022 budget year starting that is from Jan 01, 2022 to April 30, 2023
