

Date: 29th/October/2019

Request for Quotation (RFQ).

Ref No: 28/Wau/October/2019

Christian Aid South Sudan (CASS) in partnership with the Hope Agency for Relief and Development (HARD), is Implementing a project titled: Integrated lifesaving response to Internally Displaced Persons (IDPs) in Greater Baggari in former Western Bahar-el-Ghazal State. The project goal is to save lives of conflict affected communities through Cash transfers, inputs provision, and WASH. This project seeks to avert dire food security situation in the former Greater Baggari area through provision of multipurpose cash transfers.

HARD is calling for reputable banks and cash transfer companies to submit detailed technical and financial proposal to undertake cash transfer to selected project beneficiaries in Greater Baggari area on following conditions and specifications:

1. Provide cash transfer to **600 households**: The project plans to reach this caseload with multipurpose cash transfer of \$65 per household per month for two months (October and November 2019 respectively).
2. Provide all legal requirements and eligibility (Valid registration certificates from the central bank of South Sudan including, Company registration, Tax identification number (TIN) certificate from ministry of commerce and investment, membership certificate from South Sudan chamber of commerce etc.)
3. The company which is eligible must be familiar with the context and demonstrated experience in undertaking similar task/s. Attached similar task completion certificates/ recommendations from your previous client/s.
4. The company must have and provide proof of solid financial standing (financial statement) with a net worth above \$100,000 or its equivalent in SSP

Other Requirements

- Company Profile including legal registration in South Sudan (Provide certificates including from Central Bank).
- One copy of the Request for Quotations fully signed
- 3 recommendation letters of similar task in the recent past
- Demonstrate tax compliance (tax clearance).
- Evidence of an operational Office in Juba and/or Project area.
