Post Title: Family Planning (FP) Dedicated Providers

Number of Vacancies: 01 (One)

Duty Station: Nyokuron PHCC

Contract length: 12 Months renewable
Reports to: County Project Officer

Organizational background

Interchurch Medical Assistance, Inc. (d/b/a IMA World Health) is a nonprofit organization dedicated to implementing health care programs in developing countries. Highly motivated and dedicated employees, committed to the mission, vision, goals and objectives of IMA World Health (IMA), make the accomplishment of its mission possible. Accordingly, IMA recognizes that its employees are responsible for its accomplishments and provide the foundation for continued future service to those in need. IMA is a donor-funded organization; therefore, terms and conditions of employment are subject to available project/program funding. An awareness of IMA's purpose and goals will enable employees to benefit from their employment, share a common purpose, and more effectively meet their work responsibilities.

POSITION DESCRIPTION

This position for the MOMENTUM Integrated Health Resilience (MIHR) project, led by IMA World Health, will report to the County Project Officer, based at the County Health Department. MIHR will recruit and assign one dedicated provider for each supported health facility with experience and expertise in delivery of family planning services. S/he will be the point person in charge of provision of FP/RH care (scheduling, stock, reporting, client scheduling, and coordination of activities of FP-focused CHWs). Facilitate adolescent and youth responsive FP/RH care and contribute to community engagement activities. Maintain cordial relations with government and partner colleagues.

KEY RESPONSIBILITIES:

- Provide quality, voluntary family planning services and expand contraceptive choices through provision of information in selected facilities.
- Perform specialized counseling on family planning using the appropriate protocols and guidelines; elicit clients past medical history related to sexual activity and presenting symptoms (i.e., previous STI s, pregnancy, contraceptive history, etc.) for appropriate FP method provision.
- Support and promote the quality of family planning services; collect, review, discuss, analyze, interpret, and use health facility family planning data.
- Ensure the availability of adequate family planning supplies and other commodities, to ensure quality services.
- Provide implant and IUCD insertions and removals as requested.
- Ensure confidential documentation and storage of family planning client information.
- Outline clear follow up strategy for tracking and management of clients who may experience family planning-related side effects.
- Work with community health workers to increase demand for family planning services at the community level.
- Maintain standard infection control.

- Performs all other related duties involved in the family planning service provision as assigned or required.

REQUIREMENTS

- Nurse or clinical officer with experience as a family planning provider
- Hands on experience in a setting that provides FP/RH care (e.g. post-abortion care, IUD services)
- Must have at least five years of experience in a clinical setting

APPLICATION INSTRUCTIONS:

Interested candidates who meet the above conditions should forward their CV and covering letter (which should include the contact details for at least three professional references from previous employers by hand delivery to the Yambio Hospital. Deadline for submission is **April Friday 2, 2021 by 5 pm South Sudan Local time.**

We will be reviewing applications on a rolling basis, so please apply at a suitable time. This position is based in Nyokuron PHCC,

Include Name of the position and location in email subject line or on the envelope clearly marked

Application documents once deposited will not be returned to applicants. Applicants are advised not to include any original documents in their application. IMA World Health will not be held responsible for the loss of such documents.
