About CMMB

Catholic Medical Mission Board (CMMB) is an international developmental organization that believes in a world in which every human life is valued, and health and human dignity are shared by all. We believe that access to quality healthcare is a basic human right. For nearly 110 years, we have worked with global partners to deliver locally sustainable, quality healthcare solutions to women, children and their communities. For further information on CMMB South Sudan, visit our webpage at www.cmmb.org.

CMMB has been working in South Sudan for over a decade providing a package of integrated health services to vulnerable populations, redressing issues that affect the health and wellbeing of mothers, children and newborns. CMMB supports the Ministry of Health (MOH), working with other health partners, to provide: (a) a continuum of care through integrated health services (MNCH, nutrition, WASH, Child Protection and GBV) and health infrastructure strengthening at the community, facility, County and State levels; (b) health workforce capacity strengthening through on the job mentoring and training, as well as leveraging CMMB's international volunteer program; and (c) Health Information System strengthening through transitioning from paper based data collection and reporting to more accurate and timely electronic systems, reproducing and disseminating health registers and training of SMOH data clerks. CMMB also promotes equal access to basic essential medicine through its medical donation program.

JOB SUMMARY:

Under direct supervision of the Nutrition Officer, the nutrition Monitors will ensure the nutrition program is implemented effectively as per the National Ministry of Health, Nutrition Guidelines, and protocols. The Community Management of Acute malnutrition (CMAM and Maternal Infant Young Child Nutrition, MIYCN) will be adhered to for proper treatment and prevention aspects of malnutrition.

With major focus on Nutrition Sensitive interventions (Malnutrition prevention) and change of programming, the nutrition assistant will ensure this is leverage maximally to eliminate all forms of
