

SUDAN EVANGELICAL MISSION (SEM)

For Rehabilitation and Development Programmes

Job Advertisement

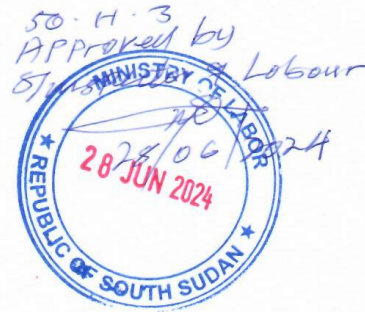

27th June 2024

Job title: Physiotherapist

Location: Mundri

Reporting to: Programme Coordinator

Contract Period: 5 months (with possibility of extension)

The Sudan Evangelical Mission (SEM) is a Christian, National Non-Governmental Organizations (NGO) established in 1998 with the aim of responding to the increased suffering of the marginalized and disadvantaged people among the communities of Mundri West, Mundri East, Mvolo and Maridi counties in Western Equatoria State and in Wau and River Jur counties in Western Bahr el Ghazal State, South Sudan.

SEM is seeking to recruit a suitable candidate for the position of Physiotherapist based in Maridi. He/she will provide technical support to Community-Based Rehabilitation programmes which are being offered in the local communities and schools.

Description of the role:

To undertake comprehensive assessments of need and plan appropriate services for persons with disabilities, including children with disabilities with different types of impairments in the project areas and are provided with relevant rehabilitation services.

Major Duties and Responsibilities:

- Assess and evaluate physical, psychological and environmental factors which reduce a person's ability to participate in everyday living activities.
- Enable individuals to maximize their physical, psychological and functional potential in order to achieve a more meaningful lifestyle.
- Assess and monitor use of specialist equipment (tricycles, wheelchairs, white cane, crutches, etc.) for people with disabilities (PWDs) or clients with complex needs.
- Assess and monitor progress for complex structural adaptations.
- Assessment of care givers/family's needs.

- Develop rehabilitation plans for clients and providing ongoing evaluations of their activities and progress.
- Assisting clients with a wide range of activities, including daily living.
- Track data of children with disabilities enrolled into targeted schools in the counties.
- Training those with permanent disabilities to use adaptive equipment.
- Joint working on a multi-disciplinary basis, and with other service providers.
- Networking and lobbying for collaborative support from health, and County Health Departments for effective rehabilitation and referral services.
- Provide professional input into developmental strategies of SEM as appropriate.
- Prepare timely and accurate reports on monthly basis for submission to partners.
- Represent SEM in community meeting.

Qualification and Experience:

- Minimum of 2 years of experience in Physiotherapy or related field.
- University degree in physiotherapy or Bachelor's degree in Community –Based Rehabilitation and/or Community Social Services.
- Licence to practice Physiotherapy in the country of origin/registered Physiotherapist.
- Experience conducting trainings and field supervisions.
- Ability to work and lead independently.
- Patience, perseverance, and ability to work in stressful environment and a simple lifestyle.
- Strong computer skills, specifically Microsoft Office programs.
- Timely reporting of progress reports.

How to apply:

Please send your CV and a cover letter to sem1998.mundri@gmail.com by 5:00 PM on 17th July 2024.

Note that only shortlisted candidates will be conducted.

Please note that this position is open to South Sudanese Nationals Only.
