PROCUREMENT NOTICE

1. Client: Juba Electricity Distribution Company (JEDCO)
2. Project Title: Procurement of consultancy services for Aggregate Technical and Commercial Loss and Billing Efficiency in accordance with international best practices.
3. JEDCO cordially invites interested and eligible consultants to participate in the procurement of consultancy services for Aggregate Technical and Commercial Loss and Billing Efficiency, adhering to international best practices.
 - (a) Bidders must have successfully completed at least two (2) similar projects of a similar nature and complexity within the last five (5) years.
 - (b) Minimum average annual turnover of US\$1.5 million, calculated as the total certified payments received for contracts completed or in progress within the last five (5) years.
 - (c) Further qualification details are provided in the Request for Proposals (RFP) bid datasheet.
4. The procurement process will be carried out through International Competitive Bidding (ICB) using the Request for Proposals (RFP) method. It is open to all eligible bidders with international experience and the capacity to meet the assignment to international standards, considering all components of the Juba distribution networks.
5. A firm will be selected based on its Full Technical Proposal (FTP) and financial proposal, as outlined in this RFP.
6. Interested bidders are requested to confirm in writing by August 16, 2024, that they have received this Request for Proposals and indicate their intention to submit a proposal in accordance with the Instructions to Consultants (ITC), Data Sheet 15, and 16.
7. The deadline for the submission of bidding documents is no later than 11:00 PM on August 26, 2024.
8. For further information, interested eligible bidders may contact JEDCO at the following address:
