

Job Title: NFI Officers

Line Manager: project coordinator

People Management: 3 NFI Officers

Duty Station: Lakes state

Duration: 3 months

Closing Date: 16th Oct 2020

Background

TITI Foundation is a National Non-Governmental Organization (NNGO) formed by a group of South Sudanese Professionals of varied Education backgrounds and experiences. TITI is an abbreviation for "Together in Transformational Initiatives"- Promoting progress, Peace, and Prosperity. The Organization is registered with the South Sudan Relief and Rehabilitation Commission (SSRRC), Registration No. 519 under Chapter 3, Section 10 of the 2013 South Sudan NGO Act. Titi Foundation is also a member of the South Sudan NGO forum.

We have been active in South Sudan since 2015 and are committed to the safety and protection of children Rights from intentional and unintentional harm. To date, we continue to offer responses for returnees, Internally Displaced Persons (IDPs) and their host communities in need of assistance to obtain durable solutions, addressing their food security, livelihood, education, water, hygiene and sanitation, peace building and conflict mitigation and Nutrition needs.

The Role

Reporting to the NFI COORDINATOR, the NFI Officers are to oversee the implementation of quality NFI interventions, develop new proposals, sectorial assessment, project planning, coordination, overseeing technical design of project activities, interface with NFI stakeholders and create networks for growth of Titi Foundation NFI programming.

KEY RESPONSIBILITIES

- Manage the assigned NFI project(s) to meet the project objectives within budget and allot time frame.

- Provide strong leadership to ensure both short & long-term positive impacts and outcomes for the beneficiaries, local authorities and local NFI staff.
- Develop new proposals, linked to the country strategy, in conjunction with the relevant field Specialists.
- Develop and implement an appropriate and effective NFI strategy, setting clear objectives and indicators, for NFI activities in consultation with other NFI staff and field managers, and, where appropriate, with the local communities.
- Continuously monitor and supervise NFI activities, overseeing the technical design, execution and evaluation of progress through outputs and impacts using both quantitative and qualitative data.
- Provide input into the integration of beneficiary participation and accountability in all aspects of the project.
- Ensure accurate and timely reporting of activities according to Titi Foundation, donor and other applicable timeframes and formats.
- Facilitate regular staff meetings to ensure awareness of project objectives, and opportunity for feedback.
- Manage the NFI budget for the assigned project(s) and ensure all expenses are according to budget and meet standards with regard to financial management, including accountability and good governance.
- Participate in NFI coordination meetings and other working groups, representing Titi Foundation and feeding back to the NFI staff and field managers on relevant issues.
- Participate in developing broader sector strategies through influence of and leadership within inter-agency coordination forums, including taking on a co-chairing role where needs demand
- Develop work plans in line with financial pipelines.
- Line management responsibility by program Manager

KNOWLEDGE, SKILLS & ABILITIES

- Bachelor's degree in Public Health, Engineering, International Development or other relevant field of study.

At least 5 to 7 years' experience in program design and implementation.

- Proven knowledge and experience in developing and implementing community mobilization projects, standards and guidelines for WASH programming and coordination.

- Familiarity with international humanitarian operations, coordination structures, and the mandates of donors, UN agencies, and other NGOs.

- Demonstrated ability to set up monitoring & evaluation systems in large complex Programs.

- Excellent communication, analytical skills, organization and writing/editing skills.
