At CARE, we seek a world of hope, inclusion, and social justice, where poverty has been overcome and people live with dignity and security.

This has been our vision since 1945, when we were founded to send lifesaving CARE Packages® to survivors of World War II. Today, CARE is a leader in the global movement to end poverty. We put women and girls in the center because we know we cannot overcome poverty until all people have equal rights and opportunities. In 2019, CARE worked in 100 countries and reached 70 million people with an incredible range of life-saving programs.

4. CONDITIONS AND GUIDELINES FOR SUBMISSION OF QUOTATION

This Request for Quotation (RFQ) outlines the requirements for an open and competitive procurement process aimed at establishing Framework Agreements. The objective is to pre-position qualified suppliers to enable faster and more efficient contracting when needs arise.
CARE receives funding from multiple donors including but not limited to ECHO, EC, NORAD, GIZ, BMZ, UN, OCHA, SDC, MFO and others. These may require the provision of goods and services, and quicker implementation will be necessary during emergency. The successful supplier will then be requested to provide s specific quotation for the requied goods and/or services, and a Purchase Order (PO) will be issued under the terms of the Framework Agreement and PO terms for the specific procurement requirement.

Quotations will be accepted until **04:00 PM, CAT [WEDNESDAY, NOVEMBER 25, 2026], delivered via email solely to** [SSD.Tender@care.org] no later than the above specified date.

Additionally, all costs included in quotations must be all-inclusive to include any outsourced or contracted work. Any quotations which call for outsourcing or contracting work must include a name and description of the organizations being contracted.

All costs must be itemized to include an explanation of all fees and costs.

Contract terms and conditions will be negotiated upon selection of the winning bidder for this RFQ. All contractual terms and conditions will be subject to review by the CARE legal department, and will include scope, budget, schedule, and other necessary items pertaining to the project.

You must respond to every subsection including statement, question, and/or instruction without exception.
