JOB OPPORTUNITY

Amref Health Africa is the largest international health development organization based in Africa. With headquarters in Kenya, Amref Health Africa has offices in Ethiopia, Uganda, South Sudan, Kenya, Tanzania, Southern Africa and Western Africa providing services to over 30 countries.

Working with and through African communities, health systems and governments, Amref Health Africa aims to close the gap that prevents people from accessing their basic right to health. Amref Health Africa is committed to improving the health of people in Africa by increasing sustainable health access to communities in Africa through solutions in human resources for health, health service delivery, and investments in health. Our Vision is **Lasting Health Change in Africa**. For more on Amref Health Africa please visit www.amref.org

Amref Health Africa in South Sudan is seeking to hire **Qualified, Competent, and Vibrant South Sudan Nationals** to fill the following position.

- **Food and Security Officer (1 Position) - Ref. No. FSLO/001/2022**

Location: Maridi with frequent travels to Field locations

Purpose of the Job:

To provide support in the planning and implementation of Food Security & Livelihood component in Resilient Migrant and Host Communities in Africa (RMAHCA) implemented in Maridi County of Western Equatoria State. She/he will work closely with the County and State agencies, implementation partners to adequately plan, timely implement and effectively monitor the execution of the project activities while ensuring adherence to each project guidelines; and incorporating lessons learnt over time to improve service delivery.

Key Responsibilities:

Technical deliverables:

- Conduct training on FSL with guidelines based on existing national nutrition protocols and County curricula.
- Support review of Curriculum and guide extension workers on delivery of the curriculum;
- Develop monthly work plan for each FFS and supervise implementation
- Work with County Agriculture Department in delivery of sustainable approaches for FFS activities and Youth group support. This includes incentive reviews, group supervision, transition of services, guiding groups in recruitment of beneficiaries into FFS activities, etc.

Monitoring & Evaluation:

- Ensure that the project is properly implemented and monitored through frequent field visits and support.
- Ensure that monitoring and reporting tools are developed and used in collaboration with MEAL officer and health service delivery manager

- Prepare weekly, monthly and Detail Implementation Project action plans of project activities related to agricultural activities, including checklist for assessments, monitoring, review and evaluation of project activities.
- Prepare activity reports, monthly reports and donor reports in collaboration with project Manager
- In collaboration with Project Manager and MEAL Manager, actively participate in monthly and quarterly planning and review meetings of the projects and follow up actions for implementation
- Ensure documentation of monitoring visit and follow up on actions points.

Planning & coordination:

- Take lead role to represent Amref Health Africa in all fora and ensure coordination with other partners and relevant government sector offices regarding FSL in the project areas.
- Coordinate with other managers in order to manage the project, supervise the project by working closely with the technical team to ensure quality of interventions and on timely completion of activities.
- Ensure that project team schedules/plans are coordinated and completed timely and give support in the project target areas
- Coordinate and ensure that the project's administrative processes, such as logistics, procurement, and policies are fully implemented according to Amref Health Africa and donor requirements
- Build and maintain strong collaborative working relationships with County Agriculture Departments, SMOH, and others relevant government offices

Other tasks:

- Carryout additional related activities and management tasks assigned by the immediate supervisor.

Requirements

- Minimum of degree in Agriculture from an accredited institution. Additional qualification in other subject matter of social sciences, public health, forestry, is an added advantage.
- At least 3 years' particular experience in agriculture, livelihoods and Climate change actions in a Non-Government Organization setting.

Other skills

- Strong organizational skills and problem solving;
- Ability to adapt properly in a multicultural work context;
- Ability to give the right priorities, meet deadlines and produce quality results;
- Working knowledge of Microsoft Office, and other virtual meeting platforms
- Skilled in writing official communication, and writing of technical materials.

How to Apply

- Please visit our website <https://amref.org/vacancies/> to submit your application. You will be directed to our online portal where you will need to create an account in order for you to be able to submit your application. Your application should include

an updated CV including three work related referees and a cover letter addressed to the Human Resource Business Partner, Amref Health Africa.

- The closing date for submitting applications is **June 27, 2022**.
- **Amref Health Africa is committed to the principles of safeguarding at the workplace and does not tolerate any form of abuse, discrimination or harassment.**
