**Expression of Interest to supply refreshments for an orphaned and vulnerable children (OVC) and Adolescents and Young Women (AGYW) Project in Juba County, South Sudan.**

Jhpiego is an international non-profit organization affiliated with the Johns Hopkins University. For 50 years, Jhpiego has been empowering front-line health workers by designing and implementing effective, low-cost, hands-on solutions to strengthen the delivery of health care services for women and their families.

In Juba County, South Sudan, Jhpiego is implementing Adolescents and Children, HIV Incidence Reduction, Empowerment, and Virus Elimination (ACHIEVE), a USAID-funded global project to reach and sustain HIV epidemic control among pregnant and breastfeeding women, adolescents, infants, and children. Through ACHIEVE, Jhpiego provides comprehensive case management services for OVC, prioritizing children and adolescents living with HIV (CALHIV) and other high-priority sub-populations. The project also provides life skills and economic strengthening services to AGYW.

Jhpiego is therefore seeking for competent and legally registered companies in South Sudan to supply refreshments for parenting sessions for caregivers and teens and life skills sessions for AGYW. These refreshments include biscuits, bottled water and soft drinks.
