**Organization description**

**Introduction:** The Adventist Development and Relief Agency (ADRA) is a global humanitarian organization of the Seventh Day Adventist Church whose Purpose is “**To serve humanity so all may live as God intended**”. ADRA South Sudan has been actively serving the communities of South Sudan for over 35 years. ADRA South Sudan’s thematic areas are health, education, food security and livelihood and emergency response.  
**ADRA’s Motto:** *Justice. Compassion. Love*  
**ADRA’s Values:** *Courageous. Compassionate. Connected*

**Summary of Position**

The **ASSP Manager** will be responsible for the overall leadership, planning, implementation and management of the ASSP in Maiwut and Nasir counties of Upper Nile State. He/She will particularly work with One Stop Centre and provide support to the medical team in the hospital to respond to GBV issues. The Project Manager will work closely with senior management team in Juba, other Project managers (Education in Emergency Multi – Year, Protection Project etc.), operations and finance teams. The Project Manager will be based in Nasir County with frequent travel to Maiwut. He/She will report to the Emergency Program Manager.

**Duties & Responsibilities**

1. Project Management and implementation

28 JUL 2022

- Develop detailed implementation plan, budget forecast and procurement plans for the project.
- Work closely with the medical team in the One Stop Centre to respond and prevent GBV cases.
- Ensure that all staff within the ASSP understand the purpose statement, slogan and values of ADRA SS.
- Coordinate, cooperate and communicate with other organizations to ensure synergy and to avoid duplication of services.
- Responsible for the management and control of project budget and expenditures and putting in place responsible accountability systems to ensure responsible and efficient spending.
- Seek opportunity that contribute to the expansion of project in Upper Nile, including assessments, drafting of concept notes and proposal developments, timely and quality reporting (Annual Work Plan, budget revisions, Performance Monitoring Plan revisions) as needed.
- Lead the planning, implementation and monitoring of ASSP activities as in the annual work plan ensuring set targets are achieved
- Ensure that the ASSP interventions are planned, implemented and monitored in a timely manner in collaboration with the MEAL team and project officers.
- To undertake any other relevant duties as may be assigned from time to time by supervisor.

## 2. Coordination and communication

- Coordinate and liaise with Ministry of Health at the state level, County Health Department (CHD), NGOs, private sector actors and other partners including UN agencies on the project activities.
- Organize and keep record of the coordination meetings held between ADRA and other agencies and government.
- Represent ADRA in health cluster, protection cluster GBV and Child Protection Area of Responsibilities. and other technical working groups in the Upper Nile State.

## 3. Human Resource management

- Management and supervision of staff on a daily basis through recruitment, evaluation and on-the-job orientation and mentoring.
- Support project staff to prepare their activity plan and provide supervision and requisite capacity development to ensure smooth implementation of projects
- Responsible for training and building the capacity of program staff in general management.
- Keep track record of staff contracts, leave plans and performance appraisal in accordance to ADRA HR policies.

## 4. Reporting and documentation

- Responsible for submission of weekly, monthly, quarterly and mid-year/annual progress reports in accordance with the ADRA South Sudan and ADRA Denmark reporting templates.
- In collaboration with the MEAL Officer document and collect stories of change within the project outcomes.
- Track the indicators and document the changes in the project accordingly.
- Keep all records of project activity plans, budget requests, reports and spending supporting documents.
