JOB OPPORTUNITY AT WORLD VISION INTERNATIONAL – SOUTH SUDAN

World Vision is a Christian Relief, Development and Advocacy Organization dedicated to working with Children, Families and Communities to overcome poverty and injustice. World Vision serves all people, regardless of religion, race, ethnicity or gender. All employment in World Vision is conditioned upon successful completion of all applicable background checks, including criminal record checks where possible.

World Vision South Sudan is now seeking for a qualified and dynamic Individuals (**Man or Woman**) who are willing to share in our vision and promise to Children, to join us in the role below:

Job title: FSL Project Manager
Reporting to: Program Coordinator
Location: CE, Juba
Availability: As soon as possible

Purpose of the position:

The core responsibilities of this position are to take the lead in overall project management and implementation of Greater Resilience through Enhanced Agriculture & Nutrition (GREAN) project (South Sudan integrated food security and livelihoods project) in Rajaf County of former Central Equatorial. The proposed 3-year project aims to achieve improved household food and income security through increased agricultural production and productivity and through increased incomes which can be used to enable families to purchase food and diversify diets. The project will utilize proven models and approaches to achieve the intended results

Major Roles and Responsibilities:

- Provide leadership in implementation of GREAN FSL project in Rajaf.
- Provide technical support and training in the following FSL project activities such as FFS, Demo plot, seed multiplication, VSLAs/IGAs and FMNR.
- Lead the proper planning, implementation, monitoring, and reporting of the project activities in Rajaf County.
- Prepare work plan, DIP, Cash flow, procurement plan for the project.
- Prepare and submit quality project report as per the report requirement of the project
- Build and maintain effective relationships with implementing partners, staffs and stakeholders during the period of this project.
- Ensure that the project beneficiaries' identification and selection is done based on gender sensitivity and disability consideration as requires by GREAN grants protocol. PWD and women are required in this project throughout the implementation phases.

- Ensure the physical welfare, well-being, and professional development of staff directly assigned to the project through trainings and coaching.
- Ensure proper budget planning and expenditure monitoring.
- Do other assigned tasks by your supervisor.

Qualifications: Education/Knowledge/Technical Skills and Experience

The following may be acquired through a combination of formal or self-education, prior experience or on-the-job training:

- Master Degree in Agriculture or related field like agri-business or business administration but with direct experience in food security.
- Minimum 3-4 years with similar experience as project manager/project coordinator in food security and livelihoods. Experience of working in Rajaf is an added advantage.
- Knowledge and experience in Farmer Field School, Farmer Demonstration, Farmer Managed Natural Regeneration, Vegetable production, post-harvest management, improved grain storage etc is desirable.
- Experience working with NGOs will be an added advantage
- Knowledge of the local language will be an added advantage.
- Should be self-motivated and able to work without supervision.
- Must have some understanding of the different systems of extension delivery, animal health and husbandry practices.
- A good communicator who is willing and able to work as an active member of the team.
- Good presentation and communication skills for a number of different audiences.
- Good time management and organizational skills: Able and willing to meet deadlines and agreed objectives
- Strong willingness to meet the customers' (clients) needs, while balancing the organization's needs and priorities
- Demonstrates Christ-centered life and work
- Fluency in English language and the local languages spoken is an added advantage.
- Understands and is committed to WV's vision, mission and core values.

World Vision South Sudan is willing to pay a competitive salary and benefits to the right candidate.
