

The Economic, Entrepreneurship & Inclusion Officer will be responsible for planning, implementing, and monitoring of livelihood, economic inclusion, agri-business development, value chains and Market System Development.

Job Summary

Root of Generations (ROG) is based in South Sudan with support office in Juba, Chukdum and Kapoeta. The organizations work in collaboration with different entities to alleviate poverty, improve peace and wellbeing, champion gender equality and civic education, reduced inequalities, climate effects, ecological and environmental degradations. ROG values impact and therefore it seeks results-oriented individuals preferably females to join the dynamic and youthful team that we already have.

Root of Generations is a South Sudanese humanitarian, development and advocacy non-governmental organization, dedicated to working with youth, women, children, families, South Sudanese civilians, South Sudanese civil society entities, and South Sudanese government. We are being registered in 2016.
