## Call for Expression of Interest

A Global Health Leader situated at Columbia University, ICAP has worked since 2004 with one central goal: to improve the health of Families and Communities.

ICAP is operating in South Sudan since 2012 to provide HIV related Care and Treatment, technical support and Capacity building assistance. In Partnership with the Government of South Sudan, Ministry of Health and Local NGOs, we seek to facilitate the further expansion of quality HIV services in South Sudan including provision of Antiretroviral Treatment (ART).

In an effort to scale up community level HIV prevention, care and ART provision, ICAP is soliciting for Quotation for the items below:
