ACROSS TERMS AND CONDITIONS OF PURCHASE

ARTICLE 1: GENERAL PROVISIONS

The following general Terms and Conditions apply to all orders placed by ("ACROSS") with a supplier. The term "order" refers to any ACROSS purchase order or contract.

Upon acceptance of the order, the supplier shall be entirely bound by the provisions of these Terms and Conditions which will prevail over any additional or differing terms in the supplier's terms of sale.

This Agreement may only be varied with the written consent of ACROSS and any specific terms and conditions in the purchase order or contract will prevail over these terms and conditions.

ARTICLE 2: DELIVERY

Except if otherwise specified in writing in the purchase order or contract, all orders will be delivered carriage and insurance paid (CIP), or in conformity with the Incoterms 2010 specified on the purchase order.

Goods will remain the sole responsibility of the supplier until the delivery note has been signed by ACROSS or by the forwarding agent appointed by ACROSS.

All orders will be delivered in full, unless ACROSS has agreed to partial deliveries in writing.

All deliveries will be accompanied by a delivery note mentioning the purchase order reference or contract numbers, complete descriptions and quantities of goods delivered, and batch or serial numbers if applicable. ACROSS reserves the right to request additional documentation such as certificates of analysis and/or certificates of origin for goods delivered.

Should the point of delivery be different to the billing address, a copy of the delivery note, and shipping documentation will be sent to the ordering entity at least 24 hours before expedition of the goods.

ACROSS reserves the right to refuse any goods delivered in excess of quantities ordered. Excess quantities will be returned to the supplier at their own risk and cost.

ARTICLE 3: DELIVERY TIMES

Delivery times and delivery dates appearing on the purchase order or contract are binding.

If contractual delivery times are not respected, ACROSS May, in accordance with the law, apply late delivery penalties without prejudice to the cancellation clause. These penalties will amount to two percent (2 %) of the total amount of the undelivered goods, excluding taxes, per week of late delivery.

If goods have not been delivered within ten (10) calendar days after the contractual delivery date, ACROSS reserves the right to cancel the order for undelivered goods without notice or payment to the supplier.

ARTICLE 4: COMPLIANCE

A delivery will only be considered as compliant after verification and acceptance by ACROSS. Non-compliant goods can be refused, without written prior agreement from the supplier, and returned by ACROSS at the supplier's cost and risks within fifteen (15) calendar days of delivery. After this time ACROSS will be responsible for costs incurred returning the goods.

ACROSS may also demand that the goods be brought up to standard or replaced within fifteen (15) calendar days of receipt of a written request from ACROSS, that the total price be refunded, or the cancellation of the order in its entirety.

All delivery prices include packaging charges. No deposit can be applied to packaging without prior written agreement from ACROSS. If such an arrangement is agreed, details of the deposit will be clearly explained on all delivery slips and invoices.

ARTICLE 5: PACKAGING

The supplier agrees to supply goods and services that comply with technical specifications defined by ACROSS, official standards and, in all cases that comply with good professional practice in the sector in question.

Packaging must be compliant with the quality standards required by the nature of the goods, and their transport, storage, and handling, in order that they are delivered in perfect condition.

ARTICLE 6: WARRANTY

The supplier guarantees that goods will be delivered undamaged and free from defects, contamination, or unreasonable wear, and that they will comply with their destined usage.

The supplier provides, at no additional charge, a 12-month guarantee (spare parts, labour, and travel costs) for delivered goods commencing on the date of acceptance by ACROSS. Any replacement or repair of goods by the supplier will renew the guarantee for a further twelve (12) months beginning on the date of acceptance by ACROSS of the replaced or repaired goods. The supplier guarantees that any replacement parts will be provided at short notice, and an after-sales service will be guaranteed for five (5) years from the initial delivery date.

Product expiry dates must be displayed clearly and permanently on packaging. The supplier guarantees that the remaining shelf life of the product at the time of delivery is longer than eighty percent (80 %) of its total initial shelf life.

ARTICLE 8: LIABILITY

The supplier is entirely liable for the delivery of goods in compliance with the terms and conditions of the purchase order or contract, and with the laws, regulations, recommendations, standards and good professional practices applicable to the sector.

The supplier is solely liable for any damage caused by its staff or sub-contractors during the execution of the purchase order or contract.

The supplier agrees to hold a valid civil liability insurance policy for the entire duration of their contractual agreement with ACROSS.

ARTICLE 9: ORDER CANCELLATION

Any order unfulfilled by the supplier or non-compliant with one or several of their contractual obligations may be lawfully cancelled by ACROSS if the failure to comply is not addressed in the fourteen (14) calendar days following formal notification by ACROSS by registered mail with acknowledgement receipt.

ACROSS will notify the supplier in writing of the cancellation, which will take effect to the sole detriment of the supplier, and this notwithstanding all damages suffered or incurred by ACROSS.

ARTICLE 10: PRICE

Unless stipulated otherwise by ACROSS, the prices indicated on the purchase order are firm and not subject to change. They include all costs associated with the manufacture, packaging, loading, shipping and unloading of the goods. Prices for goods to be exported outside the European Union do not include VAT.

ARTICLE 11: INVOICING AND PAYMENT

Two copies of all invoices will be issued and sent to the ACROSS office that sent out the order within seven (7) calendar days of delivery.

If several orders are contained in one delivery, a separate invoice will be issued for each order.

All invoices will feature the exact references of the delivery note and the order to which they correspond.

Unless stated otherwise on the purchase order or contract, payments are to be made by bank wire transfer within forty-five (45) days from the end of the month during which the invoice was received.

ARTICLE 12: LEGAL and ETHICAL ASPECTS

ACROSS reserves the right to refuse an order at any time if the supplier or one of its sub-contractors provided material support or resources to any individual or entity that commits, attempts to commit, advocates, facilitates, or participates or is found guilty of fraud, active corruption, collusion, coercive practice, bribery, involvement in a criminal organization or illegal activity, or immoral Human Resources practices, such as the use of Child Labour or overriding basic social rights and work conditions or the standards defined by the International Labour Organization (ILO1), particularly in terms of non-discrimination, freedom of association, payment of the legal national minimum wage, no forced Labour, and the respect of working and hygiene conditions

ACROSS reserves the right to use international supplier' screening tools to check the supplier's record with regards to their possible involvement in illegal or unethical practices

Furthermore, ACROSS is committed to limiting its environmental impact to a minimum and expects its suppliers and service providers to adopt a similar policy.

ARTICLE 13: APPLICABLE LAW AND JURISDICTION

ACROSS purchase orders and contracts are governed by French law.

Any dispute between the supplier and ACROSS with regards to the interpretation, execution and cancellation of an order will preferably be resolved amicably. Otherwise, all litigation will be handled exclusively by the courts of Paris.

PERFORMANCE SECURITY. Required in an amount equivalent 5 to 10% of the contract sum and valid to cover the delivery lead time period. The performance security will only be required of the selected supplier on contract signing. The proceeds of the performance security shall be payable to ACROSS as a compensation for the loss of time resulting from the Contractors failure to complete its obligations under the contract.

Tender document

Date 6th /07/2023

The performance security shall be denominated in the currency of the contract valid for the period stated. Upon successful completion of the contract obligations and signing of GRN or completion certificate, ACROSS will return the performance security to the contractor/Bidder.

Annex 2

SUPPLIER CODE OF CONDUCT

ACROSS is committed to complying with all laws and regulations that apply to our Christian ministry and operating in a manner consistent with the highest professional and ethical standards. As an ACROSS supplier, you play an integral role in helping us achieve these goals. We created this Supplier Code of Conduct to communicate the minimum standards by which all ACROSS suppliers are expected to conduct themselves when providing goods or services to our system. Please note ACROSS may establish guidelines that are more restrictive than those described in this document. It is your responsibility to share this Supplier Code of Conduct with all personnel who may be engaged in conducting business activities with ACROSS.

Respectful Behaviours and Relationships – All suppliers are expected to treat those they work with in ACROSS with honesty, dignity, and respect. This includes maintaining a positive and courteous customer service orientation, speaking professionally and respectfully, and responding to requests for information or assistance in a timely manner.

Essential Services and Business Continuity – If a supplier's services are deemed vital to ACROSS's ability to provide goods and services to beneficiaries and persons of concern, supplier must agree to develop, test and implement business continuity and disaster recovery plans. Suppliers are also expected to implement adequate security safeguards to prevent cyber security interruptions.

Gifts – ACROSS recognizes that the cost of gifts, including meals, entertainment, and social activities provided by suppliers is ultimately borne in the cost of products and services we purchase. Consistent with our mission to be faithful stewards of our resources, ACROSS discourages suppliers from providing any gifts or other items of value to our colleagues or contractors working in ACROSS facilities ("ACROSS Personnel"). The following items are never acceptable:

- Gifts given to ACROSS Personnel for the purpose of influencing a purchasing and contracting decision.
- Gifts that reasonably could be perceived as a bribe, payoff, deal, or any other attempt to gain a competitive advantage.
- Cash or items redeemable for cash such as checks, gift cards, stocks, etc.
- Gifts to or from government representatives.
- Gifts or other incentives given for the purpose of encouraging or rewarding referrals.
- Gifts that may violate a law or regulation.

The above requirements do not apply to meals and refreshments provided in connection with a conference or other educational program sponsored by a supplier for the benefit of all attendees.

Sponsored Events – ACROSS colleagues may attend supplier sponsored local or out-of-town programs, workshops, seminars and conferences that have a legitimate educational purpose or otherwise support ACROSS business objective (e.g., product training) provided such events are infrequent (i.e., no more than once annually) and ACROSS, not the supplier, pays for any related travel and overnight lodging costs.

Fundraising – As a tax-exempt, Christian charitable organization, ACROSS may solicit charitable contributions to support our livelihood, wash, protection, peace building, and education and health programs. Only ACROSS specific departments responsible for fundraising activities may solicit such gifts. ACROSS colleagues with responsibilities for ongoing business relationships with suppliers, including the negotiation or selection of suppliers, are prohibited from solicitation and fund-raising activities with suppliers. Other than legitimate fund-raising activities as described above, ACROSS colleagues are not allowed to solicit gifts, entertainment, or meals from suppliers at any time. Suppliers who encounter situations where ACROSS colleagues are in violation of this policy are expected to contact the ACROSS Integrity & Compliance Line at +211927447700 and +254722923203.

Conflicts of Interest – Conflicts of interest, in which a ACROSS board member, leadership team, or colleagues' relationship (e.g., employment, investment or other connection) with a supplier conflict, or could appear to conflict, with ACROSS's business interests, must be disclosed. ACROSS does not permit persons with conflicts of interests to make purchasing decisions. In addition, ACROSS colleagues are not permitted to work for a supplier if ACROSS is a customer of the supplier. We expect our suppliers to bring any actual, potential, or perceived conflicts of interest to the attention of a ACROSS high-level representative (other than the person who has a relationship with the supplier) in a timely manner.

Compliance with Laws – Suppliers are required to conduct their business activities in compliance with all applicable laws and regulations, including laws applicable to individuals and entities operating in South Sudan

Privacy and Security – South Sudan laws require ACROSS and our suppliers to maintain the privacy and security of ACROSS protected health information (PHI). Suppliers are responsible for ensuring all supplier personnel who provide services to ACROSS

Tender document

Date 6th /07/2023

be aware of and familiar with the requirements of both the Health Insurance Portability and Accountability Act (HIPAA) Privacy and Security

Rules and, where applicable, those state laws that provide more stringent protection of PHI. Suppliers are also responsible for ensuring all supplier personnel who provide services to network connected devices receive role-appropriate periodic training and assessments (at least annually) on cyber security. In addition, the supplier is responsible to ensure all reasonable and customary industry accepted actions are taken to ensure their respective devices are protected and malware free prior to installation and or use. If a supplier's business relationship with ACROSS will require access to or usage of PHI, the supplier will be required to sign a Business Associate Agreement with us.

Infection Control Policies – Supplier personnel whose activities require access to direct patient care environments are required to adhere to ACROSS infection control policies applicable to the organizations visited.

Eligibility to Participate in ACROSS Programs – ACROSS will not conduct business with any supplier listed on the United Nations list of suspended and removed vendors
