PROJECT

AFRISOS

Dates

27th November - 8th December

This is your chance to be paid while learning how to prep, shoot and edit a complete film during a 10 day workshop. You will explore with your character, uncovering the stories of the landscape and it's people, developing your skills as a documentary filmmaker.

What we are searching for?

- 18 years and older.
- Have some filmmaking experience, including cinematography and editing.
- Be a citizen of South Sudan
- Be passionate about nature and cultural storytelling

If you are a passionate storyteller and filmmaker, send us a short bio, your cv and portfolio.
