JOB PURPOSE

The Nurse will be responsible for providing safe, effective, and quality nursing care services for all the patients coming to the Mobile Clinic under the supervision of the Clinical Officer and Program Manager.

Roles & Responsibilities

- Assess, plan, develop, implement and evaluate program to promote health and well-being, and prevent adverse effects on health and well-being of the patients.
- Providing appropriate healthcare services including integrated Management of Childhood Illness (IMCI), immunization, PMTCT, ante-natal care and delivery, providing health education and counselling to patients/clients and community on identified health needs.
- Implement and evaluate individual treatment plans for patients with a known long-term condition
- Identify, and manage as appropriate, treatment plans for patients at risk of developing a long-term condition
- Prioritize health problems and intervene appropriately to assist the patient in complex, urgent or emergency situations, including initiation of effective emergency care.
- Support patients to adopt health promotion strategies that encourage patients to live healthy, and apply principles of self-care
- Provide information and advice on prescribed or over-the-counter medication on medication regimens, side effects and interactions
- Support and advise women requesting information relating to family planning needs
- Collecting and compiling accurate data to the Clinical Officer for final submission.
- Carry out any other related duties as deemed necessary by the Clinical Officer or Program Manager.

KEY COMPETENCIES & ATTRIBUTES:

- Ability to communicate effectively, both orally and in writing.
- Demonstrated ability to establish effective and cooperative working relationships built on trust.
- Excellent organizational and time management skills.
- Should be self-motivated
- Proficiency in computer skills, report writing and data collection using collection tools
Should have good interpersonal and communication skills
- Ability to work under pressure with minimal supervision and independently **in extremely remote locations.**

MINIMUM REQUIREMENTS:

- Diploma in any Nursing discipline from recognized Institutions in East and Central Africa.
- At least 3 years of experience in a known Hospital (**preferably within Warrap State**).
- Valid Professional Practice License from Nursing Council
- Humanitarian aid work experience is an **added** advantage.

Application Procedure:

Interested applicants can submit updated CV, Cover Letter, relevant academic certificates and contact details of at least 3 professional references to the following email: recruitment.ssd@ccm-italia.org mention the position in the subject line as "NURSE – MOBIL CLINIC, GREATER TONJ"

Hand delivery to: Amref-CCM Foundation Juba office located in Thong Piny, Airport Road to the attention of the HR Department (Please indicate the name of the position you are applying for on the envelope).

Closing date:
