

**HEALTHNET TPO**

## **JOB ADVERTISEMENT**

**JOB TITLE:** Monitoring and Evaluation Officer. ( Consultancy )  
**NUMBER OF POSITIONS:** 1  
**LOCATION:** Yambio  
**START DATE:** As soon as possible.

### **Background**

HealthNet TPO is an international non-profit organisation that supports people living in areas disrupted by war, disaster, and poverty. Our mission is to strengthen communities, help them regain control, and maintain their own health and well-being. At the same time, we contribute to strengthening the national health care systems to ensure health needs are met. Our interventions engage local people as we are convinced that even the most vulnerable people have the inner strength to (re)build a better future for themselves. HealthNet TPO, established in 1992 with headquarters in the Netherlands, has been present in South Sudan since 1996.

### **Your role**

Under the direct supervision of the Project Manager, the job holder is based in Yambio and is responsible for supporting the M&E aspects of all LLIN Distribution activities in accordance with the National Ministry of Health (MoH) Methodology for Mass Distribution of Long-Lasting Insecticide-Treated Mosquito Nets in Southern Sudan. This position will contribute to better monitoring of the LLINs mass campaign in Western Equatoria State. The post holder will develop and implement an effective monitoring and evaluation system for the HNTPO LLINs distribution to support feedback and learning.

### **Reporting lines**

**Reports to:** Distribution Project Manager  
**Supervises:** Non  
**Coordinates with:** County Coordinators and Logistics assistants.
