

JOB VACANCY: LABORATORY TECHNOLOGIST

Job Title : Lab Technologist
Department : Laboratory
Report to : LABORATORY MANAGER SUPERVISOR
Location : Gudele Hospital
Employment Type : Full Time
Application Deadline : 8th September 2026

JOB SUMMARY

As a Hospital Lab Technologist, you will be a vital member of the healthcare team, contributing to patient care through the performance of various laboratory tests and analyses. Working within the hospital setting, you will conduct diagnostic procedures, analyze specimens, and provide critical information to support medical decision-making. Your role is integral to ensuring accurate and timely laboratory results, contributing to the overall quality of patient care.

We are seeking a **qualified, dedicated, and detail-oriented Laboratory Technologist** to join our team.

Key Responsibilities

- Perform laboratory tests and procedures accurately and efficiently.
- Collect, receive, process, and analyze patient specimens.
- Operate, maintain, and troubleshoot laboratory equipment.
- Record and report laboratory results accurately and promptly.
- Maintain proper quality-control and quality-assurance standards.
- Ensure compliance with laboratory safety and infection-prevention procedures.
- Maintain accurate laboratory records and documentation.

Requirements

- Diploma or Bachelor's degree in Medical Laboratory Technology/Medical Laboratory Science or a related field.

- Valid professional registration/licensure where applicable.
- Relevant laboratory experience is an advantage.
- Strong attention to detail and ability to work under pressure.
- Good communication, teamwork, and organizational skills.
- Commitment to confidentiality, accuracy, and professional ethics.

How to Apply

Interested applicants are requested to send their **CV, cover letter, nationality ID card and copies of relevant academic and professional certificates** to hrgudelehospital@gmail.com or hand delivery to Gudele Hospital, Plot 1482, Gudele Block 5. Closing date: **8th September 2026**.
