#### **Scope of the Position:**

Generally, the Monitoring and Evaluation (M&E) Assistant supports the M&E team and in accordance with GIZ processes and rules. The M&E Assistant responds promptly and competently to matters that fall within his/her assigned thematic area and in consultation with his/her line manager.

## **Your Tasks**

- Support to the Monitoring and Evaluation (M&E) team (partially based in Juba, partly based in Germany) in the implementation of an efficient context and conflict-sensitive results-based monitoring system;
- Support the M&E team in fulfilling the M&E requirements, including regular reporting to GIZ and commissioning parties (BMZ and others), on activities, outputs, impacts, and external risks, including quality assurance of data sets and data analysis;
- Collecting data in the field in the counties Yei and Magwi through pre-designed surveys;
- Independently enter data into a database using the correct formats;
- Train enumerators and implementing partners on data collection tools:
- Assist in the analysis of various survey data
- Support the M&E team in the coordination of implementing partners (e.g. organizing meetings, following-up on reports);
- Any other duty assigned by the supervisor.

## **Your Profile**

Bachelor's degree in political, economic or social sciences, agricultural science, or equivalent; ideally degree or certificate in monitoring and evaluation related field

Minimum one year of professional experience in Monitoring and Evaluation, in data collection and analysis, in aggregated reporting as well as in coordination and cooperation with external partners;

- Professional experience and knowledge in the fields of agriculture, rural development, food security;
- Excellent understanding of local contexts in the project regions (Equatoria Region);
- Excellent communication skills, proven ability to draft and present complexities in

- easily understandable language, in a clear and target group-oriented manner:
- Strong digital skills, service orientation and ability to perform under time pressure;
- Business fluency in English.
