

**Invitation for Tendering for Supply of Materials for Construction and Repairing of Shelters**

Reach Alternatives (REALs) is an International NGO based in Japan and with a presence in the Middle East and Africa. Our organization specializes in implementing a wide variety of projects, ranging from community security and safety, research and training in peace and security, protection of war-affected populations, prevention of and response to gender-based violence, livelihood empowerment, and peace-building programs with a strong focus on capacity-building of communities and stakeholders affected by conflict. In South Sudan, REALs is a duly registered NGO and has been actively implementing programs focusing on conflict prevention, SGBV/PSS, Agriculture, and WASH since 2012.
