INTERSOS is an independent non-profit humanitarian organization committed to assist the victims of natural disasters and armed conflicts. Its activities are based on the principles of solidarity, justice, human dignity, equality of rights and opportunities, and respect for diversity and coexistence, paying special attention to the most vulnerable and unprotected people.

I. Main Objective:

The intervention aims to provide rapid life-saving protection assistance to populations affected by the ongoing crisis in Yei, through:

- Quality GBV service provision by INTERSOS' Rapid Response Mechanism.
- Ongoing support to and capacity building of static GBV partners and service.

II. Summary of Job:

The Case Management Worker shall work under the overall supervision of the GBV Specialist and in close cooperation with the GBV Project Team. The Case Management Worker will support the in the overall management of the project and he/she will assist the GBV Project Team in activities including but not limited to mobile protection responses for GBV, awareness raising activities, GBV case management and referral, provision of PFA and PSS, monitoring and reporting activities, logistical support and contributing to the direct implementation of community based GBV measures and response activities

III. Responsibilities/Duties:

- Lead and coordinate the implementation of community-level protection activities (SGBV) in designated areas, in particular case management (CM), develop trend analysis, information dissemination and referrals according to INTERSOS/donor standards in protection work.
- Identification of S/GBV cases.
- Provision of PSS/PFA support to relevant cases.
- Identification and registration of EVI's for material/cash assistance.

- Supervise the correct documentation and compilation of CM forms in accordance with all CM steps and related tools and procedure and ensure proper follow up on case management services.
- Ensure that all high-risk cases are addressed immediately and shared with the protection manager for possible intervention.
- In collaboration with the protection manager, work closely with the other organizations in order to ensure smooth referral and monitoring of required follow-up actions.
- Hold regular CW mentoring, trainings, and coaching sessions based on identified needs and gaps.
- Assist in monitoring and reporting of all activities
- Carry out other duties as specified by the project manager

Educational Qualifications:

- Bachelor's Degree in Social Studies, Human Rights, International Development, or related field

Person Specifications:

- At least 3 years of working experience in GBV and sound knowledge of GBV concepts such as UASC, CFSs, WFSs, YFS, PSS and Case Management;
- Good Monitoring and & Evaluation as well as reporting skills;
- Fluency in English and local language required;
- Computer literate (Word, Excel)
- Ability and motivation to work well with local authorities, local leaders and local community
- Good cooperation skills, ability to work well both independently and in a team
- Good creative problem solving and social skills
- Stress-resilient, able to cope with deadlines and complex problems;
- Strong organizational, interpersonal and communications skills;
- Willing to work extra hours and available at the weekend for emergency cases;
- Sensitivity towards the protection and well-being of vulnerable women and children.
- Ability to exercise considerable judgment and discretion in dealing with matters of significance for the company
