

People for development

JOB VACANCY: FSL Extension Assistants (3)

AVSI Foundation is a global non-governmental organization with headquarters in Italy. Its mission is to support human development in developing countries according to the social teaching of the Catholic Church: recognizing the uniqueness of each person, who as such cannot be reduced to a number within an anonymous category such as "the poor, the sick, the disabled". Furthermore, every person and every community represent a resource, regardless of their vulnerability. This is why AVSI works to help people in becoming aware of their own value and dignity. AVSI is operating in South Sudan since 2005, implementing medium to long-term sustainable health, education, water & sanitation, food security and emergency relief programmes.

Purpose of the position

The FSL extension assistants shall be assisting the implementation of the FSL emergency response livelihood project funded by FAO in Juba County. He/she shall provide technical support required to the team through supervision, management and reporting of the project progress. Liaise with the FSL project officer for any field activity during the project implementation process. He/she will be implementing FSL related trainings, monitoring and reporting of project activities, and work closely with local and county authorities especially the CAD and RRC.

Duty Station: Rajaf, Lori and Mangala Juba County Central Equatoria State.
