Number of Positions	: One (1) Position
Duty Station	: Juba
Duration	: One (1) Year
Eligibility	: This position is for South Sudanese nationals only
Anticipated Start Date	: January 2022
Advert Closing Date	: 7 <sup>th</sup> December 2021 17:00 pm

### BACKGROUND OF ACCESS FOR HUMANITY

Access for Humanity (AFH) is a national non-profit making, humanitarian, and developmental organization, fully registered under the laws of the Republic of South Sudan.

The mission of AFH is to see well-informed communities that are free from health-related issues, free from food insecurity, where there is social justice and gender equity, where women are empowered and women's and children's rights are protected, where everyone live in peace and coherence with one another in a sustainable environment, and where humanitarian crises are prevented and/or challenged.

AFH is serving the most disadvantaged communities of the Republic of South Sudan; that are living in the remotest areas of the country. Since early 2018, Access for Humanity is implementing and coordinating Routine Immunization (RI) and Polio Surveillance strengthening activities in over 30 counties in the Greater Upper Nile region of the Republic of South Sudan.

## **GENERAL OVERVIEW OF THE POSITION**

The Community-Based Surveillance (CBS)/Routine Immunization (RI) Technical Officer is the primary implementer of the CBS/RI project activities at AFH IP level under the overall supervision of the AFH Chief Executive Officer (CEO) and direct supervision of the AFH Deputy Project Manager. The CSB/RI Technical Officer (CBS/RI-TO) works closely with the AFH Project Coordinator (PC), state authorities, County Health Departments, CBS/RI Supervisors and County Supervisors to establish and maintain the CBS and RI network in assigned counties in the Greater Upper Nile (GUN) region and Western Bahr El Ghazal State (WBG). The CBS/RI-TO carry out regular supportive supervision field visits to counties/payams/bomas and document findings through a written report. The CBS/RI-TO guide/support CBS/RI Supervisors and County Supervisors at county-level to organize and manage the CBS and RI activity.

## **REQUIRED PROFILE, EXPERIENCE AND SKILLS**

### **Qualifications**

- Medical doctor (preferably with a post graduate degree in Public Health), Bsc. in Public Health (preferably Master in Public Health).
- At least two years' experience in conducting and/or managing routine immunization services
- Ability to work effectively as a team member and independently;
- Ability to manage multiple priorities under pressure, trouble-shoot, and to meet short- and long-term deadlines;
- Thorough familiarity with word processing, spreadsheet, and project scheduling computer applications;
- Demonstrated experience in budget and financial management;
- Excellent written and verbal communication skills;
- Excellent critical and creative thinking and analytical skills;
- Experience in program administration, operating procedures, oversight and monitoring;
