3.5.1 Scoring Evaluation

Trade-Off Method

Coalition for Humanity Tender Committee will conduct a technical evaluation which will grade technical criteria on a weighted basis (each criteria is given a percentage, all together equalling 100%). Offeror's proposals should consist of all required technical submittals so Coalition for Humanity committee can thoroughly evaluate the technical criteria listed herein and assign points based on the strength of a technical submission.

Award criteria shall be based on the proposal/Quotation's overall "**value for money**" (quality, cost, delivery time, etc.) while taking into consideration donor and internal requirements and regulations. Each individual criteria have been assigned a weighting prior to the release of this RFQ based on its importance to Coalition for Humanity in this process. Offeror (s) with the best score will be accepted as the winning offered(s), assuming the price is deemed fair and reasonable and subject to the additional due diligence in [section 3.5.2](#).

When performing the Scoring Evaluation, the Coalition for Humanity tender committee will assign points for each criteria based on the following scale:

Point	Rationale
0	Not acceptable; has not met any part of the specified criteria
1-4	Has met only some minimum requirements and may not be acceptable
5	Acceptable
6-9	Acceptable; has met all requirements and exceeds some
10	Acceptable; has exceeded all requirements

Evaluation Criteria	Weight (%)	Possible Points (1 to 10)	Weighted Score
	(A)	(B)	(A*B)*10
