Job title: Case Supervisor
Reporting to: Project Manager
Location: Juba
Availability: As soon as possible

Purpose of the position:

The Case Supervisor ensures the quality of the case management services provided, as well as the focused PSS services provided by the Social Workers under supervision. This includes regular coaching on focused PSS using age, gender and protection concern-appropriate techniques. As part of this role, the Case Supervisor ensures regular case reviews occur, takes leadership of or provides senior guidance and support to complex cases and leads on case conferences, where these may be necessary, the case Supervisor is responsible for managing case closure/transfer, as well as case audits to identify if closure, transfer or other action is required.

Key Job responsibilities

- Lead in supervision and coaching of GBV case management to ensure high quality, timely, age and gender appropriate services are provided to adult and child survivors.
- Provide leadership to focused Psychosocial Support (PSS) programming as a service within GBV case management, including provision of capacity building and practical coaching and supervision of social workers to provide high quality focused PSS. This includes development and/or review of focused PSS plans and activities.
- Conduct regular case review (i.e., weekly) with Social Workers to support the case management process and decision making with respect to case implementation, review, follow up, closure/transfer.
- Take leadership of complex cases, or provide intensive support to a Social Worker with a

- complex case. Lead case conferences as necessary.
- Lead on all case management related information management, ensuring complete case files are safely and confidentiality maintained, and soft databases such as GBVMIS are accurate, complete and submitted/shared in a timely manner on a monthly basis.
- Weekly updates, monthly reporting to Supervision and Protection technical advisors as required.

Qualifications/Education/Knowledge/Technical Skills and Experience

The following may be acquired through a combination of formal or self-education, prior experience or on-the-job training:

- University Degree in Social Work, Psychology, Behavioral Studies, Counselling or similar required.
- Certificate courses in GBV Case Management, PSS for GBV Survivor courses (ex. Caring for Survivors of Sexual Violence), Community-Based PSS, MHPSS coursework.
- Work experience should demonstrate experience in supervising the provision of case management, PSS or GBV response services; Demonstration of GBV coaching and supervision strongly preferred.
- Prior work experience in Social Work, GBV Case Management preferred
- At least Accredited Certificate in Mine Risk Training with Secondary school certificate preferred.
- Strong experience in conducting Mine Risk Education is STRONGLY preferred.
- Strong knowledge on giving first aid.
- Must have a love for children and demonstrate patience, tolerance, problem solving, open-mindedness and interest in social justice.
- Basic written / speaking English strongly preferred
- Local language as first language strongly preferred

Working Environment / Conditions:

- Work environment: 85%
- Competitive benefits, including health insurance
