

MSF Switzerland (MSF-CH)
JOB VACANCY – WATSAN TECHNICIAN

Médecins Sans Frontières (MSF) is an international, humanitarian, non-governmental organisation providing assistance to people in need as a result of natural and man-made disasters, irrespective of race, religion, ideology or politics.

MSF Switzerland (MSF-CH) is now looking for a qualified backup/daily workers pool of South Sudanese individuals that can be deployed as daily workers or contracted as needed. This backup/daily worker pool will be valid for 12 months from the date of final recruitment; successful candidates will be called to work as daily workers or contracted directly without any further recruitment procedure throughout this time period.

Position: Watsan Technician

Number of Vacancies: Backup pool

Location: Mayen Abun, Twic County, Warrap State

Scope of responsibilities:

Supporting the Watsan Supervisor in the implementation, monitoring, maintaining, and trouble-shooting of Water Hygiene Sanitation activities and infrastructure in the project according to MSF protocols, stand-ards and procedures in order to improve health and living conditions of the target population

Main tasks:

- Carrying out tasks directly related to the Watsan activities such as construction and maintenance of infrastructures in the project according to MSF protocols and standards concerning the operation of water supply, waste management and excreta disposal, hygiene and infection control.
- Ensuring the cleaning and maintenance of the Watsan structures and when applicable, of the medical facilities;
- Identifying, recruiting, training and supervising daily labourers or hygiene agents for Watsan activities
- Informing the Watsan Supervisor of any difficulties, anomalies and problems that may affect the normal functioning of activities and tasks in his/her area of responsibility;
- Assisting the Watsan Supervisor in Watsan data collection and reporting, as well as maintaining updated files and records of assigned project activities
- Being responsible for equipment, tools, and consumables, verifying that they are safely used and maintained. Reporting to the supervisor any need of renewal and the weekly/monthly consumption

Recruitment criteria

Education:

- Essential technical certificate/Diploma or any desirable specialization in water and sanitation
- Desirable MSF experience. Essential 2 years of relevant working experience

Experience:

Languages:

- Fluent in English and Dinka language essential

Competencies:

Results orientation, teamwork, flexibility, commitment, stress management

How to Apply:

South Sudanese candidates who meet the above criteria are invited to apply through the below link using a computer or a QR code on their smartphone. **The deadline is no later than August 28, 2024 at 5.00pm.**

*** NEW deadline for application Sept 8th, 2024 ***
