

CONSULTANCY OPPORTUNITY

CONFLICT MAPPING EXPERT

Organization: Environmental Rehabilitation Program (ERP) – South Sudan (RRC No. 285)

Assignment: Community-Based Conflict Mapping and Participatory Analysis

Location: Yambio and Nzara Counties, Western Equatoria State

Duration: 14 Working Days

Application opens: 7th July 2026

Application Deadline: 24th July 2026

The Role

ERP seeks an experienced national consultant to conduct comprehensive conflict mapping across 4-6 Payams in Western Equatoria State. This assignment supports an integrated environmental conservation and peacebuilding initiative, employing participatory GIS methodologies, social network analysis, and community-based research to map conflict hotspots, resource contestation zones, and local peace architectures.

Core Deliverables

- Participatory conflict maps (GIS layers + community-verified visuals)
- Comprehensive analytical report (15,000–20,000 words) with risk scenarios
- Digital Mapping Atlas and anonymized raw data package
- Stakeholder validation workshop facilitation
- Knowledge Transfer Brief for ERP staff

Required Expertise

- **Education:** Master's degree in Conflict Studies, Geography, Anthropology, or related field

- **Experience:** 7+ years in conflict analysis (minimum 3 years in South Sudan; Western Equatoria knowledge preferred)
- **Technical:** Proficiency in GIS software and participatory action research (PAR)
- **Security:** HEAT certification or equivalent field security training
- **Languages:** Professional English required; Zande/Arabic/local languages advantageous

How to Apply

Interested consultants should request the detailed Terms of Reference (TOR) that includes the full methodology, ethical protocols and evaluation criteria through **Email:** erphumanresource@gmail.com and copy erpsouthsudan@gmail.com

Subject Line: "Request for Detailed TOR – Conflict Mapping Consultancy"

Submission: Submit Technical Proposal, Financial Proposal, CV and three references to the same email addresses by **24th July 2026** with the subject line: "**Conflict Mapping Consultancy, Yambio/Nzara - (Your Name)**"

ERP adheres to the Core Humanitarian Standard (CHS) and Do No Harm principles. Women consultants and South Sudanese nationals are strongly encouraged to apply.
