SUPPLIER CODE OF CONDUCT

ACROSS is committed to complying with all laws and regulations that apply to our Christian ministry and operating in a manner consistent with the highest professional and ethical standards. As an ACROSS supplier, you play an integral role in helping us achieve these goals. We created this Supplier Code of Conduct to communicate the minimum standards by which all ACROSS suppliers are expected to conduct themselves when providing goods or services to our system. Please note ACROSS may establish guidelines that are more restrictive than those described in this document. It is your responsibility to share this Supplier Code of Conduct with all personnel who may be engaged in conducting business activities with ACROSS.

- 1) Respectful Behaviours and Relationships** – All suppliers are expected to treat those they work with in ACROSS with honesty, dignity and respect. This includes maintaining a positive and courteous customer service orientation, speaking professionally and respectfully, and responding to requests for information or assistance in a timely manner.
- 2) Child Protection Policy:** The contractor will not in any circumstance employ people who have prior convictions for child abuse, pornography or any offence related to harm of children. If background checks prove employee is not suitable to work with children in one way or another, the employer reserves the right to terminate this contract.
- 3) Safeguarding and Prevention of the Sexual Exploitation and Abuses (PSEA) Policy:** The Contractor working within ACROSS shall work together in Prevention of Sexual Exploitation and Abuse and safeguard the welfare of children and vulnerable adults; protecting them from harm, abuse, neglect and exploitation, and ensuring effective reporting of any suspected abuse. An ACROSS Contractor agrees to sign Safeguarding and PSEA good conduct declaration form.
- 4) Zero tolerance policy towards fraud, bribery, and corruption:** The employee shall not accept or be involved in any level of fraud, bribery or corruption within the organization, or by any other individual or organization representing ACROSS at all times and to safeguard the resources for which they are responsible.
- 5) Code of Conduct:** Every contractor working for ACROSS shall strive to act with honesty, fairness and integrity and to obey the policies and procedures of ACROSS and laws and regulations of the country wherever they operate. They should portray a Christian character at all times.
- 6) Anti-Discrimination and Harassment:** Contractors during their work shall respect the beneficiaries, communities and partners to have the right to work and live in an environment that is free from discrimination, harassment (sexual and other) and other threatening behaviors that could lead to physical or psychological harm, especially to vulnerable groups such as women, children, elderly and disabled people.
- 7) Terrorist Activities:** Contractors of ACROSS must not be involved in, facilitate, promote, advocate for, condone or harbor any terrorist activity or talk.

- 8) Essential Services and Business Continuity** – If a supplier's services are deemed vital to ACROSS's ability to provide goods and services to beneficiaries and persons of concern, supplier must agree to develop, test and implement business continuity and disaster recovery plans. Suppliers are also expected to implement adequate security safeguards to prevent cyber security interruptions.
- 9) Gifts** – ACROSS recognizes that the cost of gifts, including meals, entertainment, and social activities provided by suppliers is ultimately borne in the cost of products and services we purchase. Consistent with our mission to be faithful stewards of our resources, ACROSS discourages suppliers from providing any gifts or other items of value to our colleagues or contractors working in ACROSS facilities ("ACROSS Personnel"). The following items are never acceptable:
- a) Gifts given to ACROSS Personnel for the purpose of influencing a purchasing and contracting decision.
 - b) Gifts that reasonably could be perceived as a bribe, payoff, deal, or any other attempt to gain a competitive advantage.
 - c) Cash or items redeemable for cash such as checks, gift cards, stocks, etc.
 - d) Gifts to or from government representatives.
 - e) Gifts or other incentives given for the purpose of encouraging or rewarding referrals.
 - f) Gifts that may violate a law or regulation.
 - g) The above requirements do not apply to meals and refreshments provided in connection with a conference or other educational program sponsored by a supplier for the benefit of all attendees.
- 10) Sponsored Events** – ACROSS colleagues may attend supplier sponsored local or out-of-town programs, workshops, seminars and conferences that have a legitimate educational purpose or otherwise support ACROSS business objective (e.g. product training) provided such events are infrequent (i.e. no more than once annually) and ACROSS, not the supplier, pays for any related travel and overnight lodging costs.
- 11) Fundraising** – As a tax-exempt, Christian charitable organization, ACROSS may solicit charitable contributions to support our livelihood, wash, protection, peace building, and education and health programs. Only ACROSS specific departments responsible for fundraising activities may solicit such gifts. ACROSS colleagues with responsibilities for ongoing business relationships with suppliers, including the negotiation or selection of suppliers, are prohibited from solicitation and fund-raising activities with suppliers. Other than legitimate fund-raising activities as described above, ACROSS colleagues are not allowed to solicit gifts, entertainment, or meals from suppliers at any time. Suppliers who encounter situations where ACROSS colleagues are in violation of this policy are expected to contact the ACROSS Integrity & Compliance Line at +211927447700 and +254722923203.
- 12) Conflicts of Interest** – Conflicts of interest, in which a ACROSS board member, leadership team, or colleagues' relationship (e.g., employment, investment or other connection) with a supplier conflict, or could appear to conflict, with ACROSS's business interests, must be disclosed. ACROSS does not permit persons with conflicts of interests to make purchasing decisions. In addition, ACROSS colleagues are not permitted to work for a supplier if ACROSS is a customer of the supplier. We expect our suppliers to bring any actual, potential, or perceived conflicts of interest to the attention of a ACROSS high-level representative (other than the person who has a relationship with the supplier) in a timely manner.
- 13) Compliance with Laws** – Suppliers are required to conduct their business activities in compliance with all applicable laws and regulations, including laws applicable to individuals and entities operating in South Sudan

In addition,

- 15)** The supplier is responsible to ensure all reasonable and customary industry accepted actions are taken to ensure their respective devices are protected and malware free prior to installation and or use. If a supplier's business relationship with ACROSS will require access to or usage of PHI, the supplier will be required to sign a Business Associate Agreement with us.
- 16) Infection Control Policies** – Supplier personnel whose activities require access to direct patient care environments are required to adhere to ACROSS infection control policies applicable to the organizations visited.
- 17) Eligibility to Participate in ACROSS Programs** – ACROSS will not conduct business with any supplier listed on the United Nations list of suspended and removed vendors
- 18) Fraud, Waste and Abuse (FWA)** – ACROSS will promptly investigate any reports of alleged violations of law, regulations or ACROSS policies involving supplier or a supplier's personnel, including allegations of FWA involving ACROSS programs. Suppliers are expected to fully cooperate in such investigations and, where appropriate, in taking corrective actions in response to confirmed violations. These laws also protect "whistle-blowers" – people who report noncompliance or fraud, or who assist in investigations, from retaliation. ACROSS policy prohibits retaliation of any kind against individuals exercising their rights under the Federal False Claims Act or similar state laws.
- 19) Environmental Purchasing Policy** – ACROSS is committed to purchasing products and services whose environmental impacts are healthier for the environment and human health. ACROSS expects suppliers to develop price competitive, environmentally sound, and safe products and services that help us achieve these objectives.
