

## Terms of References

**Position:** Tyre man  
**Place of performance:** Different Locations in South Sudan  
**Contract duration:** 6 months renewable  
**Starting date:** 23rd February 2021  
**End date:** 23rd March 2021

### OVERVIEW OF CTG GLOBAL

CTG support and manage humanitarian projects in fragile and conflict-affected countries around the world. With past performance in 15 countries – from the Middle East, Africa, Europe, Asia and Central and South America – we offer a holistic fabric of project management, implementation and support. Skilled in emergency response to crises such as the Ebola outbreak in West Africa, we have the ability to act quickly (crisis response teams can be on the ground in 24 hours) and to establish structured operations in high-risk environments. CTG recruit and manage qualified, skilled teams with extensive experience operating in challenging conditions.

### OVERVIEW OF THE POSITION

The Tyre man / tire technician is responsible for making sure that **tires** used by automobiles, trucks, commercial vehicles or tractors, and heavy equipment are in good state for the road and will ensure the safety of users of the automobiles by making frequent checks and changes.

### GENERAL FUNCTIONS

Role objective:

- Changes tyres anticipation of weather change for compatibility.
- Performs experiments on tyres to confirm their durability and possible cause of failure.
- Recommends tyres for use by clients considering the tyre durability and fitness for the clients' specific purpose on respective automobiles.
- Recommends to clients good driving and tyre maintenance practices.
- Ensures that minimum standard of tyre safety is maintained in the workshop.
- Rereads tyres which previously have been labelled off the road.
- Maintains a clean office area that meets minimum environmental requirements' regulations.
- Ensures appropriate dismounting and mounting of tyres.

**Expected output:**

All moving auto mobiles will have tyres in best condition for safety purposes.

**Project reporting:**  
Workshop supervisor.

**Team management:**

TBC
