

Post Bid Clarification: RFQ-JUBA-2024-08-09 (Starlink Internet)

Dear Sir/Madam,

We would like to inform you that EDC previously circulated a Request for Quotation (RFQ) for Starlink services through the NGO Forum, with an initial closing date of October 11, 2024. However, on that date, several companies contacted EDC directly, either in person or via telephone, requesting an extension of the submission deadline due to technical difficulties with the NGO Forum server, which prevented access to the RFQ.

After confirming the server issue, and to ensure a fair and equal opportunity for all potential service providers, EDC has decided to extend the RFQ submission deadline.

The new closing date for RFQ submissions is now October 15, 2024, at 3:00 PM South Sudan time.

We appreciate your understanding and cooperation.

Best regards,
