## Call for Tender for Purchase Honda Brazil 125 cc

Christian Aid works globally for profound change that eradicates the causes of poverty, striving to achieve equality, dignity, and freedom for all, regardless of faith or nationality. We work with partners to implement an integrated and innovative program to address Poverty, Power including using our Prophetic voices. In South Sudan, through our local partners including ecumenical partners of the ACT Alliance including Caritas network in South Sudan to achieve transformation from violence to peace and saving lives of crisis-affected communities.

Christian Aid South Sudan has received funding from the Irish Government through the Chronic Crisis Stream (CCS) Programme. The impacts of Covid-19 and severe weather conditions in recent years have further contributed to a dire humanitarian situation, with people's livelihoods and access to health, education and water, sanitation, and hygiene (WaSH) services severely impacted. However, we would like to procure a motor cycle to facilitate the movement of a field staff and would like to invite for quotations in USD.
