Administrative Conformity

Bids will be checked to determine if they comply with the essential requirements of the ITT. A Bid is deemed to comply if it satisfies all the conditions, procedures and specifications in the ITT without substantially departing from or attaching restrictions with them. If a Bid does not comply with the ITT, it will be rejected immediately and may not subsequently be made to comply by correcting it or withdrawing the departure or restriction.

Technical Evaluation

The Evaluation Committee will rule on the technical admissibility of each Bid, classifying it as technically compliant or non-compliant. The technical evaluation will be based on the information and documents annexed in the Bid concerning both the task to be carried out under the ITT, and the professional ability of the Bidder.

Financial Evaluation

The Evaluation Committee will not necessarily choose on the basis of lowest price alone but will award a contract on the basis of criteria such as best value for money, price, quality, and compliance with

international norms, delay for delivery and other criteria, as defined in the ITT. The experience of the Bidder in the performance of similar contracts may also be criterion for selection.

18. General Conditions of Contract

All Bidders must acknowledge that the RI General Conditions of Contract for the Procurement of Goods, or Services, or Works, as applicable, are acceptable.

19. Cancellation of the ITT

In the event of ITT cancellation, Bidders will be notified by RI. If the ITT is cancelled before the outer envelope of any Bid has been opened, the sealed envelopes will be returned, unopened, to the Bidders

- » all technically compliant Bids exceed the financial resources available;
- » there have been irregularities in the procedure, in particular where these have prevented fair competition.

In no circumstances will RI be liable for damages, whatever their nature (in particular damages for loss of profits) or relationship to the cancellation of an ITT, even if RI has been advised of the possibility of damages. The publication of a procurement notice does not commit RI to implement the programme or project announced.
