

VACANCY NOTICE

Job Title	Senior FSL Officer (National Position)
Office	ACRA Field office
Location	Walgak Payam, Akobo County- Sudan South
Reporting to	FSL Program Manager

Organization View

AGENCY FOR CHILD RELIEF AID (ACRA) is a national Non Profit, Non-Government Humanitarian Organization founded by active, dedicated and committed South Sudanese professionals and fully registered under the Relief and Rehabilitation Commission (RRC), registration number 387 within the Ministry of Humanitarian Affairs and Disaster Management in accordance with NGO Act 2016 of the Republic of South Sudan. True to the calling of sexual violence prevention as a mechanism for achieving economic development, we endeavour to respond to the highly rising sexual violence perpetuated by the many years of civil war in South Sudan, uneven economic landscape, demographic shifts, and instability in political governance, as well as unprecedented challenges in the humanitarian sector that have all profoundly impacted the women and children since independence. ACRA aim to provide sustainable livelihoods opportunities to support and transform the lives of the vulnerable children and populations both in South Sudan’s urban and rural areas and help them enjoy adequate access to essential services including; Child protection, Education, Gender Based Violence (GBV) prevention and awareness, adequate and Safe Water Supply, Sanitation facilities, Sustainable Food Security & Livelihoods, Nutrition and Primary Health Care services in a manner that respects human rights principles while ensuring the peace and improved social well beings for all.

ACRA works towards addressing some of the most urgent humanitarian crisis and needs and contribute to development through rehabilitation and reconstruction following years of destructive conflicts which ruined the socioeconomic, health and institutional fabric of the Country. ACRA’s main focus is to create a society free from violence against women and children by; a) professionalizing and diversifying the Gender based violence prevention field, b) providing world class services to vulnerable South Sudanese children and communities living in extreme poverty and under-developed conditions and whose predominant livelihoods systems are solely subsistence, c) becoming the number one source of GBV prevention knowledge and expertise worldwide.

Vision: A society where children and vulnerable communities are empowered and equitably access sustainable livelihood opportunities.

Mission: ACRA mission is to provide Hope and Recovery to conflict and natural disaster affected children and communities through engagement in the sectors of Livelihoods, Environment, Education, Protection and Emergency Aid.

Roles & Responsibilities/Job Description

Project management:

- Develop detailed activity plan and manage implementation in line with project proposal activities and log frame guidelines.
- Ensure that the Field team including FSL Project Assistants, Fisheries Extension workers and Accountability to Affected Population (AAP) groups, Project Management Committees (PCMCs), Fisher folks groups and Community Mobilizers implements the project in accordance with South Sudanese and international humanitarian standards and with strict adherence to ACRA PSEA policy.
- Take lead in setting up community structures to ensure sustainable management of Fishing Kits before, during and after distribution.
- Support ACRA field team in project management (including preparation of activity budgets), monitoring and reporting.
- Training of the fisher folks, enumerators and community mobilizers including fishing kits distribution monitors.
- Supervise the proper rehabilitation aquaculture infrastructures by lead fisher folks at community level with the participation of local beneficiary groups.

Logistics:

- Manage logistics needs and coordinate with logistical staff in order to ensure all FSL- fisheries sub-sector project related equipment and material is timely available on site
- Participate in procurement of items/goods and services at field level in coordination with ACRA procurement guidelines and in coordination with ACRA logistical staff at Juba level.

Staff management:

- Participate in recruitment of FSL project staff at field level
- Together with the FSL Program Manager, take part in training of Fisheries Extension Workers

- Oversee all FSL project staff performance at the field level
- Facilitate regular staff meetings at field level.
- Plan spending according to budget, and coordinate with Field Finance Officer and line manager timely in case of deviations.

Monitoring and evaluation:

- Plan and implement monitoring and evaluation of fisheries activities in consultation with the FSL Programme Manager.
- Ensure proper documentation of the project response activities including sending weekly updates to the FSL Program Manager.

Communication and documentation:

- Ensure accurate and timely communication among the field team and between Walgak Office and Juba including reporting of activities in line with donor requirements and delivery of information as requested
- Ensure project activity pictures are taken and sent to programme team in Juba for documentation and reporting

Coordination:

- Develop and maintain transparent and honest communication and relationships with stakeholders (beneficiaries, local government officials, RRC, UN agencies, INGOs, NNGOs and the FSL Cluster at County level)
- Attend State FSL cluster meetings regularly

Perform any other duties as required by the Line Manager

MINIMUM QUALIFICATION/EXPERIENCE

- Completed Bachelor's Degree in Agriculture, Fisheries, Environmental Science or related field.
- A minimum of 3 years of work experience in the Food Security and Livelihoods Project Management, preferably with an INGO or NNGO in the humanitarian and development field
