13th January 2020.

CALL FOR EXPRESSION OF INTEREST FOR PROVISION OF PRO BONO SERVICES IN ORGANISATIONAL CAPACITY DEVELOPMENT (OCA) FOR NATIONAL NON GOVERNMENTAL ORGANISATIONS (NNOs) FOR THE YEAR 2020.

Background

Momu Associates Certified Public Accountants (MOMU Associates CPAs) is a dynamic and innovative client focused firm providing comprehensive set of High quality, cost effective and timely services in our core services of Auditing & Assurance, Accounting & Book keeping, Taxation and Legal Compliance, HR and IT Consultancy. We focus on value adding services that lead to Organisational Compliance, Competence and Sustainability in the nonprofit sector.

Pro bono investments are part of our commitment (Corporate Social Responsibility) to enhance the effectiveness of nonprofits and other social organizations that collectively reach millions of people across South to Sudan by providing access to professional services. In that, we freely provide broad range of strategic support and trainings for a period not exceeding three months in core services and also including among others in Governance and Leadership development, Monitoring, Learning and Evaluation (MEAL), Diversity and Gender, Fraud, Bribery and Corruption, Procurement and Logistics, Knowledge Management, Program Management, Fundraising and Partnerships, Comparative advantage & External Relationships.

In order to tailor our solutions to our client needs, we first subject the beneficiary organization to assessment to establish areas of strengths and weakness which become the basis of the capacity support, using our customized tool called MOCAT V1.

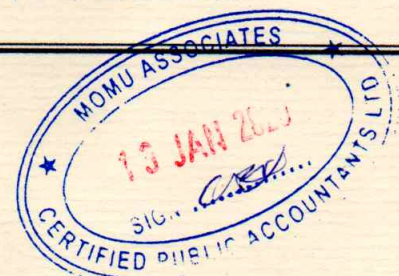

Introducing MOCAT V1-Consolidated Risk based and Participatory Organisational Evaluation Tool (POET).

MOCAT V1 POET is a robust, well thought and designed and risk based results oriented, fully tested with excellent results Organisational capacity assessment tool that was designed by Momu Associates team based on their experiences and proficiencies working with NGOs, is contextualized and is based on the methodology of PROSE (Participatory, Result-Oriented Self-Evaluation). **MOCAT V1 POET** was developed on the premise that the best results are attained when Management takes deliberate, proactive approach to capacity development and assessed their needs in relation to their entire Organisation.

Selection criteria (Eligibility)

In order to qualify, a nonprofit organization must meet the following requirements:

1. Legally registered (With valid RRC Certificate) and operational in South Sudan as a Nonprofit.
2. Not been a recipient of our and/or any ongoing Organisational Capacity Assessment.

3. Able to proof that the payment of professional fees would significantly deplete the organization's ability to provide services or would be otherwise inappropriate.

Deadline

Interested Nonprofits should send an Expression of interest before 31st January 2020 to "momuauditors@gmail.com" and you will be forwarded a form to fill for internal evaluation purpose.

Due to the limited number of NNGOs we can support at a time, Management reserves the right to either reject or slot an interested organization to the next phase.
