

OPENING – PHYSIOTHERAPIST

Medecins Sans Frontieres (MSF-Doctors without Borders) is an international independent medical humanitarian organization that delivers emergency aid to people affected by armed conflicts, epidemics, natural disasters, and exclusion from healthcare in more than 60 countries around the world. MSF offers assistance to people on need, irrespective of race, religion, gender, or political affiliation. Our actions are guided by medical ethics and the principles of neutrality and impartiality.

Location: Abyei Special Administrative Area
Open to: South Sudanese Only
Opening Date: 30th January 2024
Closing Date: 12th February 2024
Number of Opening: One Position (01)

Main Responsibility:

Following medical prescription, plan and carry out individual treatment programmes, by assessing patients’ physical state, in order to maintain, improve or rehabilitate the physical well-being of the patient and prevent physical handicaps.

Scope of responsibilities:

- Assess patient physical capacities, using different procedures (e.g. functional capacity tests) in order to set up treatment objectives with the patient and therefore improve patient's health and wellbeing.
- Elaborate and implement physiotherapy programmes, including physiotherapy exercises, manipulations, massages, education, utilization of physiotherapy devices and orthopaedic equipment, educating and advising patients and their careers on how to prevent and/or improve conditions, in order to accelerate and improve activity results.
- Train patients and care-takers on how to avoid injury in order to create preventive behaviours.
- Actively monitor and report physiotherapy activities (correctly filling in patient files, forms, statistics, and reports) and analyse these statistics in order to improve quality service, preserving patient’s data traceability.
- Take care of physiotherapy equipment, managing the stock, making orders according to activity and cleaning up the equipment, in order to ensure its continuous availability and quality of service.
- Report to the technical referent any problem arising in the service, especially the loss/ robbery/damage of medical equipment or medicines in order to implement the appropriate measures.

Recruitment Criteria:

Education	Essential, Physiotherapist official degree/diploma.
Experience	Knowledge of physiotherapy devices and orthopaedic equipment / Usage of different procedures (e.g. exercises, manipulations, massages, education, etc.).
Languages	Essential, local language; desirable, mission working language.
Competencies	Results, teamwork, flexibility, commitment, service.

Applications:

Interested candidates are invited to submit their application; a motivation letter and updated CV with copies of their education credentials, and National ID Cards to the application box located in Ameth Bekh Hospital Abyei, or to our email MSFCH-Abyei-HRManager@geneva.msf.org (subject: “Application – Physiotherapist”) on or before 12th February 2024 by 5:00 pm South Sudan Local Time.

Women & people with disability are strongly encouraged to apply.

Only short-listed candidates will be contacted and applications received will not be returned.
