RE-ADVERTISEMENT

Heavy Plant mechanic

Action Africa Help International (AAH-I), an African-led non-governmental organization that supports livelihood-challenged communities in East and Southern Africa to sustainably improve their well-being and standard of living. With Country Programmes in South Sudan, Kenya, Somalia, Uganda, Zambia and Ethiopia, AAH-I has over 30 years' experience working with communities in conflict and post-conflict situations, including refugees, internally displaced people and host communities. AAH-I also works with other marginalized communities, including pastoralists and people living in informal urban settlements.

In South Sudan, AAH-I works in Greater Equatoria, Greater Jonglei, Greater Upper Nile and Greater Unity State, with field offices in Juba, Yei, Maridi, Yambio, Mundri, Bor, Wau, Ajong Thok, Maban and Malakal.

AAH-I South Sudan Country Programme is looking to recruit a suitably qualified candidate to fill the vacant position of **Heavy Plant mechanic** to be based in **Maban, Upper Nile State**.

Reports to: Senior Workshop Foreman

Responsible for:

The Heavy Plant Mechanic is responsible for service, repair and maintain of AAH-I/UNHCR-owned heavy equipment comprising mostly of Caterpillar Machines/Plants. The Heavy Equipment Mechanic maintains heavy equipment operation by completing inspections and preventive maintenance requirements.

Liases with: Construction Supervisor

Duty Station: Maban, South Sudan

Job summary and Purpose

The Plant Mechanic performs a variety of activities designed to service, repair and maintain pieces of AAH-I/UNHCR-owned heavy equipment comprising mostly of Caterpillar Machines/Plants. The Heavy Equipment Mechanic maintains heavy equipment operation by completing inspections and preventive maintenance requirements, such as correcting equipment/vehicle deficiencies, making adjustments and alignments, and keeping records.
