

**Prequalification Document for Transportation Services Framework Contract****Project Name:** Provision of Transportation Services for GIZ South Sudan**Reference Number:** 83487199**Locations:** Juba, Magwi, Aweil, Yambio, Terekeka, Yei, and Wau**Deadline for Submission:** 2nd May 2025**1. Introduction**

GIZ South Sudan intends to establish a framework contract with qualified and experienced transport service providers to support its logistics needs across various field locations. This prequalification process aims to identify competent service providers capable of meeting the organization's operational, safety, compliance, and environmental standards.

**2. Objective**

To prequalify service providers for the provision of reliable, safe, and timely transportation of personnel, goods, and materials across South Sudan under a framework agreement.

**3. Scope of Services**

- Provision of 4x4 vehicles (with and without drivers)
- Transportation of personnel and materials across targeted locations
- Compliance with GIZ safety standards
- Adherence to scheduled delivery timelines
- Maintenance and management of fleet
- Support with logistics coordination as needed
