SUPPLIER CODE OF CONDUCT

ACROSS is committed to complying with all laws and regulations that apply to our Christian ministry and operating in a manner consistent with the highest professional and ethical standards. As an ACROSS supplier, you play an integral role in helping us achieve these goals. We created this Supplier Code of Conduct to communicate the minimum standards by which all ACROSS suppliers are expected to conduct themselves when providing goods or services to our system. Please note ACROSS may establish guidelines that are more restrictive than those described in this document. It is your responsibility to share this Supplier Code of Conduct with all personnel who may be engaged in conducting business activities with ACROSS.

REQUEST FOR QUOTATION (Tender document)

Respectful Behaviours and Relationships – All suppliers are expected to treat those they work with in ACROSS with honesty, dignity and respect. This includes maintaining a positive and courteous customer service orientation, speaking professionally and respectfully, and responding to requests for information or assistance in a timely manner.

Essential Services and Business Continuity – If a supplier's services are deemed vital to ACROSS's ability to provide goods and services to beneficiaries and persons of concern, supplier must agree to develop, test and implement business continuity and disaster recovery plans. Suppliers are also expected to implement adequate security safeguards to prevent cyber security interruptions.

Gifts – ACROSS recognizes that the cost of gifts, including meals, entertainment, and social activities provided by suppliers is ultimately borne in the cost of products and services we purchase. Consistent with our mission to be faithful stewards of our resources, ACROSS discourages suppliers from providing any gifts or other items of value to our colleagues or contractors working in ACROSS facilities (“ACROSS Personnel”). The following items are never acceptable:

- Gifts given to ACROSS Personnel for the purpose of influencing a purchasing and contracting decision;
- Gifts that reasonably could be perceived as a bribe, payoff, deal, or any other attempt to gain a competitive advantage;
- Cash or items redeemable for cash such as checks, gift cards, stocks, etc.;
- Gifts to or from government representatives;
- Gifts or other incentives given for the purpose of encouraging or rewarding referrals;
- Gifts that may violate a law or regulation.

The above requirements do not apply to meals and refreshments provided in connection with a conference or other educational program sponsored by a supplier for the benefit of all attendees.

Sponsored Events – ACROSS colleagues may attend supplier sponsored local or out-of-town programs, workshops, seminars and conferences that have a legitimate educational purpose or otherwise support ACROSS business objective (e.g. product training) provided such events are infrequent (i.e. no more than once annually) and ACROSS, not the supplier, pays for any related travel and overnight lodging costs.

ACROSS colleagues with responsibilities for ongoing business relationships with suppliers, including the negotiation or selection of suppliers, are prohibited from solicitation and fund-raising activities with suppliers. Other than legitimate fund-raising activities as described above, ACROSS colleagues are not allowed to solicit gifts, entertainment or meals from suppliers at any time. Compliance with Laws – Suppliers are required to conduct their business activities in compliance with all applicable laws and regulations, including laws applicable to individuals and entities operating in South Sudan

Privacy and Security – South Sudan laws require ACROSS and our suppliers to maintain the privacy and security of ACROSS protected health information (PHI). Suppliers are responsible for ensuring all supplier personnel who provide services to ACROSS be aware of and familiar with the requirements of both the Health Insurance Portability and Accountability Act (HIPAA) Privacy and Security
