About CMMB

Catholic Medical Mission Board (CMMB) is an international developmental organization that believes in a world in which every human life is valued, and health and human dignity are shared by all. We believe that access to quality healthcare is a basic human right. For 110 years, we have worked with global partners to deliver locally sustainable, quality healthcare solutions to women, children, and their communities. For further information on CMMB South Sudan, visit our webpage at www.cmmb.org. CMMB has been working in South Sudan for over a decade providing a package of integrated health services to vulnerable populations, redressing issues that affect the health and wellbeing of mothers, children, and newborns. CMMB supports the Ministry of Health (MOH), working with other health partners, to provide: (a) a continuum of care through integrated health services (MNCH, nutrition, WASH, Child Protection and GBV) and health infrastructure strengthening at the community, facility, County and State levels; (b) health workforce capacity strengthening through on the job mentoring and training, as well as leveraging CMMB's international volunteer program; and (c) Health Information System strengthening through transitioning from paper based data collection and reporting to more accurate and timely electronic systems, reproducing and disseminating health registers and training of SMOH data clerks. CMMB also promotes equal access to basic essential medicine through its medical donation program.

Job Summary:

The PMTCT Focal Person will oversee and implement all activities related to the prevention of mother-to-child transmission (PMTCT) of HIV within the assigned health facility. Working closely with clinicians, mentor mothers, and community teams, the incumbent will conduct and ensure routine HIV testing for pregnant and breastfeeding women (PBFW), immediate ART initiation, retention in care, and timely early infant diagnosis (EID). The role focuses on improving service delivery, documentation, and linkage across ANC, maternity, ART, and EID clinics to ensure that no mother-baby pair is lost along the PMTCT/EID cascade.

U.S. Embassy Juba

Key Responsibilities and Tasks:

- Conduct HIV testing for all pregnant and breastfeeding women attending ANC, delivery, PNC, and immunization clinics.
- Ensure timely ART initiation, VL testing, and EAC follow-up for all HIV-positive PBFW.
- Facilitate early infant diagnosis (EID), sample collection, results return, and follow-up of HIV-exposed infants.
- Monitor PMTCT commodity availability and support integration of PrEP and partner testing.
- Collaborate with mentor mothers and community teams to enhance retention and defaulter tracing.
- Ensure accurate documentation and timely reporting of PMTCT and EID indicators.
- Provide mentorship to ANC, maternity, and EID staff on PMTCT protocols and data quality.

Qualifications & Experience:

- Diploma or Bachelor's degree in Nursing, Midwifery, Clinical Medicine, or related field.
- Minimum 2 years' experience in PMTCT or maternal/child health within USG/Global Fund programs.
- Strong knowledge of Option B+, ANC, and EID workflows and indicators (PMTCT_STAT, PMTCT_ART, PMTCT_EID).
- Excellent communication, mentoring, and data reporting skills.
- Computer literate, fluent in English; spoken Arabic an advantage.

LANGUAGES:

- Excellent command of written and spoken English.
- Fluent spoken Arabic
