SUBJECT: REQUEST FOR PROPOSALS FOR THE PROVISION OF GPS tracking and fuel monitoring SERVICE AT EYE MEDIA/EYE RADIO

A. COMPANY BACKGROUND:

Eye Media is a South Sudanese Non-profit media organization incorporated in 2012 managing Eye Radio 98.6 FM station in Juba, formerly known as the Sudan Radio Service (SRS). Eye Radio is the first South Sudan's independent broadcast provider of news and information. It has served the people of South Sudan with objective, accurate and credible news and information since 15 years ago.

Eye Media is seeking proposals from reputable Service Providers with the capacity to provide GPS tracking and fuel monitoring services for its vehicles and fuel tanks in Juba

Bidders are requested to provide information in their bid that will enable Eye Media to determine the GPS tracking service Provider that best meets these requirements.

B. SCOPE OF WORK OR REQUIREMENT:

The service provider shall provide GPS tracking and fuel monitoring services as per the below specifications:

- Install GPS To tract three land cruiser vehicles
- Install fuel monitoring sensor to 2 reserve tanks with a capacity of 1700 and 8000 litres and give accurate reports
- GPS tracking to have a geo fencing option in order to create a boundary of operation
- An Option to remotely stop the engine while running.
- Be compatible with modern GPS portal of iOS/ Android Apps
- The system must be able to extract ACURATE reports such as ,amount of fuel filled/ consumed , generator run time, vehicle kilometers traveled, parking locations
- Install a diesel flow meters in generator fuel line to give more accuracy

C. DELIVERABLES:

The Service Provider will ensure that Eye Media Office is provided with the following:

- GPS tracking must show actual vehicle locations, speed and have an option to stop the engine remotely.
- Install two fuel reserve tanks with the best and accurate sensors to provide the best reports of even when 0.5 liters is lost from the tank
- Must assure a consistency of the service

- Remote monitoring of diesel generator which will include fuel consumption and monitoring of engine operation parameters
- The system must saw real-time location tracking
- Customized alerts such as ,over speeding, long idle times,
- Will tract vehicle maintenance schedules
- Generally must have a user friendly interface

D. INSTRUCTIONS FOR PROPOSAL PREPARATION:

The selection committee will evaluate the service provider based upon their criteria listed below. Each section will be evaluated according to the criteria for evaluations. Service providers are expected to examine the specifications and all instructions in the RFP. Failure to do so is at the Service provider's risk. Interested service providers must provide the following:

1. CAPABILITY AND TECHNICAL EXPERIENCE STATEMENT

Demonstrate capabilities and technical experience by providing the following:

- a. Company's overview
- b. Company's Capabilities to perform the services requested
- c. Past Performance/ References
- e. Business Registration documents (current)
- f. Tax Clearance (current)

2. COST PROPOSAL

Service provider will submit in a separate, sealed envelope or by separate electronic files a proposed budget within their proposals to include all of the services listed above. The proposed budget will have sufficient detail to allow evaluation of elements of costs proposed. Eye Media reserves the right to request any additional information to support detailed costs and price.

3. REFERENCES

Please include three client references with detailed contact information. References should have worked with your organization/company where you had provided similar services to them within the past three years in GPS tracking and fuel monitoring within South Sudan.

E. INSTRUCTIONS FOR SUBMISSION OF PROPOSAL:

1. Your proposal, both technical and financial, shall be submitted and shall be clearly identified with the RFP number and the Service Provider's name.

All responses to this RFP must be received no later than the submission deadline on the cover page of this RFP. All proposals must be submitted in the following formats:
